Oil on Canvas

I was born at Nørrebro, Copenhagen, 1949. To day I live in the picturesque village Dragør, Denmark. I'm a self-taught painter and I have been painting since I was 11 years old where I won a drawing competition in a newspaper. The price was a box of oil colours. I am painting on locations in Greece and Denmark as well as in my studio in Dragør. I have exhibited my art at Galleries, Companies, Art Clubs, etc.
